CISO SINGAPORE Agenda DAY 1 - 19 August 2025	
08:30	<i>Register; grab a coffee. Mix, mingle and say hello to peers old and new</i>
09:00	<p>Welcome remarks by Corinium and Chair's opening remarks</p> <p>Chair: Dr. Kawin Boonyapreddee Chief Strategy Officer Applied Quantum</p>
09:10	Speed Networking – Making new connections at CISO Singapore!
09:15	<p>Keynote Presentation: How to Measurably Fail</p> <p><u>Speaker:</u></p> <p>Konrads Klints Chief Information Security Officer Rajah & Tann LLP</p>
09:40	<p>Mastering Minimum Viable Recovery: Ensuring Rapid and Effective Business Continuity</p> <p><u>Speaker:</u></p> <p>Gareth Russell Field Chief Technology Officer, Security for Asia Pacific (APAC) Commvault</p>
10:05	<p>Anticipating Threats, Elevating Security: Being Smarter in RISKS to Level Up our Defence Game Plan</p> <p><u>Speaker:</u></p> <p>Bernard Tan Director of the Cyber Security Group GovTech</p>
10:30	<i>Morning Coffee and Connect</i>
11:00	<p>The Power of Certainty</p> <p><u>Speaker:</u></p> <p>Yuri Pinheiro Director of Partner Solution Architecture Tanium</p>
11:25	<p>Keynote Panel: Ethical Responsibility in AI: A CISO's Guide to Navigating the Future of Cyber Security</p> <ul style="list-style-type: none"> • Examine the ethical scope of responsibility for CISOs in the implementation of AI-driven cybersecurity solutions – what should CISOs be responsible for? • Assess the balance between AI innovation and safeguarding privacy, security, and compliance frameworks • Explore strategies for CISOs to ensure transparency, accountability, and fairness in AI security systems

	<ul style="list-style-type: none"> Discuss the evolving role of the CISO in addressing AI-related cyber security risks and ethical dilemmas <p><u>Moderator:</u> Jason Lau Chief Information Security Officer Crypto.com</p> <p><u>Panellists:</u> Aniket Kulkarni Global Group CISO Circles Leonard Ong Director, Cyber Defense Group & Chief Risk Office Synapse Jennifer Cheng Director of Cybersecurity Strategy, Asia-Pacific and Japan Proofpoint Prof. Dan Haagman CEO Chaleit & Honorary Professor Murdoch University</p>	
12:00	High Risk Users and Where to Find Them <u>Speaker:</u> Garrett O'Hara Senior Director of Sales Engineering Mimecast	
12:25	Keynote Panel: Cyberstorm Survival – Strategies for Leading Through Rapidly Shifting Digital Battlefields <ul style="list-style-type: none"> Outsmarting Emerging Threats: Implementing cutting-edge strategies and adaptive risk frameworks to stay one step ahead Engaging employees through continuous training and fostering a culture of transparent communication Syncing cyber security with business growth by aligning risk management with budgets, and cross-department collaboration to drive success without compromising security <p><u>Moderator:</u> Dan Haagman CEO Chaleit & Honorary Professor Murdoch University</p> <p><u>Panellists:</u> Thuy Dinh Coordinator, Asia South Pacific Joint Operations Against Cybercrime Interpol Steven Sim Chair OT-ISAC Committee Frankie Shuai APAC CISO Financial Services Sector Garrett O'Hara Senior Director of Sales Engineering Mimecast Eugene Teo Chief Security Advisor, ASEAN Microsoft</p>	
13:00 to 14:00	<i>Lunch Break! Connect and Converse.</i>	Security Leaders Private Lunch - Tanium (Private invite only) Speaker: Dominic Cheah Solutions Engineering Director Tanium
	Track A: Threat Resilience	Track B: AI-Driven Defense
	Chair: Dr. Kawin Boonyapreddee Chief Strategy Officer Applied Quantum	Chair: Prof. Dan Haagman CEO Chaleit & Honorary Professor Murdoch University

14:00	From Data Silos to Unified Insight: The Role of AI in Holistic Cyber Exposure Management <u>Speaker:</u> Henry Ong Senior Manager of Security Engineering Tenable	Overwhelmed to 'In Command': How AI-Driven Defense Empowers Modern SecOps <u>Speaker:</u> David Coleman Director, Sales Engineering - APJ Rapid7
14:25	AI, Crypto, and Security: Navigating the Triple Threat to Digital Trust <u>Speaker:</u> Pasi Koistinen Chief Information Security Officer Coinhako	Guardians of the Future: Securing AI Amidst a Turbulent Threat Landscape <u>Speaker:</u> Veronica Tan Director, Safer Cyberspace Cyber Security Agency of Singapore (CSA)
14:50	AI and Human Error: Navigating the Evolving Cyber Security Landscape <u>Speaker:</u> David Bochsler VP APJ KnowBe4	Resilience by Design: How Security Graphs Enable Rapid Containment <u>Speaker:</u> Ivan Lee Senior Sales Engineer Illumio
15:15	Evolving Strategies: INTERPOL's Response to the Changing Cybercrime Threat Landscape <u>Speaker:</u> Edmund Goh Head, Asia South Pacific Desk Interpol	Unleash the Power of Data to Protect Your Clouds <u>Speaker:</u> Leong Sheu Hau FortiCNAPP Lead, APAC Fortinet
15:40	From Static to Smart: The OT Security Shift with Autonomous Robots <u>Speakers:</u> Vijayaraj Suriyakumar Head of Cybersecurity & Privacy Continental Automotive Singapore Rahul Singh Global Head of Software, AMR Continental Automotive Singapore	Fireside Chat: Strategic Cybersecurity - Turning Risk into a Business Advantage <p>In this conversational session, the speakers will discuss aligning cyber planning with broader business goals for long-term resilience.</p> <u>Speakers:</u> Vannessa Van Beek Global CISO Fortescue Justin Ong APAC CISO Panasonic Prof. Dan Haagman CEO Chaleit & Honorary Professor Murdoch University
16:05	Beyond Humans: Managing Non-Human Identities and Governance <u>Speakers:</u> Subhransu Das Cyber Security Officer, Enterprise Business Group Starhub Richard Leong Head of Channel and Alliances APJ One Identity	Beauty and the Beast: Unifying Identity Security Across Cloud & Legacy IAM Silos <u>Speaker:</u> Abbas Kudrati Chief Identity Security Advisor – APJ Silverfort
16:35	<i>Afternoon Coffee and Connect</i>	Exec Connect Cocktail Session – hosted by Commvault

		(Private invite only) Speaker: Gareth Russell Field Chief Technology Officer, Security for Asia Pacific (APAC) Commvault
17:05	Fireside Chat: Breaking Silos - Uniting Boards, Leadership, and Departments for a Resilient Cybersecurity Posture <ul style="list-style-type: none"> How can boards and senior leadership effectively align cyber security priorities with overall business objectives? What are the biggest communication gaps between cyber security teams, executives, and boards, and how can they be bridged? How can organisations break down departmental silos to create a more integrated approach to cyber security risk management? What governance frameworks and reporting structures best support collaboration between technical teams and executive decision-makers? <p><u>Moderator:</u> Prof. Dan Haagman CEO Chaleit & Honorary Professor Murdoch University</p> <p><u>Panellists:</u> Scott Flower Co-Founder CI-ISAC International Anil K Appayanna Chief Information Security Officer India International Insurance (III) Singapore Ajay Kumar Industry Outreach Director ISACA Singapore Chapter</p>	
17:40	Close of Day One	
17:40	Cheers with Peers – CISO Drinks Reception	

CISO SINGAPORE Agenda DAY 2 - 20 August 2025	
08:30	<i>Register; grab coffee. Mix, mingle and say hello to peers old and new.</i>
09:00	<i>Welcome remarks by Corinium and Chair's opening remarks.</i> <u>Chair:</u> Jannem Yong Head of IT Security SBI Digital Markets
09:10	Keynote Headliner: Three Current Challenges in Cyber Security — and How to Navigate Them with AI, People Insight, and Secure-by-Design Thinking <u>Speaker:</u> Vannessa Van Beek Global CISO Fortescue
09:35	Handshakes Study: Operationalising and Democratising Cloud Security Across Your Organisation <u>Speakers:</u> Kaiyang Cai Regional Vice President Wiz Jonathan Ng Head of Digital Risk & Security Handshakes

10:00	Keynote Headliner: Ready for Next Gen Cyber Threats <u>Speaker:</u> Justin Ong APAC CISO Panasonic
10:25	Time to Shift to Modern Human-Centric Unified Data Security <u>Speaker:</u> Philip Sow Head of Systems Engineering, Southeast Asia, Korea & India Proofpoint
10:50	<i>Morning Coffee and Connect</i>
11:20	Securing and Validating Your Code with Confidential Computing <u>Speaker:</u> Yonggil Choi Technology Evangelist TikTok
11:45	Managing Data Security and Data Risk in the Age of Generative AI <u>Speaker:</u> Tim Stead Technical Director Securiti
12:10	Fireside Chat: Engaging the Human Firewall: Education, Culture and the Future of Cyber Defence <u>Moderator:</u> Jannem Yong Head of IT Security SBI Digital Markets <u>Speakers:</u> Ang Leong Boon Head of IT Security National University of Singapore
12:35	Keynote Panel: How Can We Transform Cyber Security into a Strategic Business Enabler? <ul style="list-style-type: none"> • Explore strategies to integrate cyber security initiatives with broader business goals to strengthen organisational resilience and drive sustainable growth • Unpack approaches to involve executives in cyber security strategies, ensuring it remains a top priority within the organisation • How can organisations shift from reactive to proactive risk management, anticipating threats and building a robust security posture? • Highlight the potential of cyber security as a strategic asset to deliver business value, enhance resilience, and establish a competitive edge <u>Moderator:</u> Joey Chua Director of Digital and IT Transformation Gulf Marine <u>Panellists:</u> Lyle Sudheeran Madhavan Head, Program Management & Governance Sentosa Development Corp Jenny Tan President ISACA SG Chapter Christopher Lek Director, Cyber Security, Centre for IT Services Nanyang Technological University Laura Lees Head of Cybersecurity for Client Citibank

13:10 to 14:10	<i>Lunch Break! Connect and Converse.</i>	Security Leaders Private Lunch <i>Hosted by Abnormal</i> (Private invite only)
14:10	Technology Risks: What Else is Out There? <u>Speaker:</u> Anthony Lim , Fellow, Cybersecurity, Governance & FinTech, Singapore University of Social Sciences	
14:35	Overcoming the Roadblocks: What Does Successful Zero Trust Adoption Look Like? <u>Speaker:</u> Tan Hwee Cher Group Head, Information Security & Data Governance CGS International Securities	
15:00	Panel Discussion: AI Governance in Cyber Security - Combating Digital Risk and Protecting the Enterprise <ul style="list-style-type: none"> Discover how AI governance can address vulnerabilities exploited by increasingly sophisticated cyber attack techniques Learn to implement secure, compliant AI systems that enhance detection while safeguarding sensitive data Gain insights into balancing innovation and cyber security to build trust and resilience against digital threats Dealing with advance phishing and digital scam tactics as a business <u>Moderator:</u> Patrick Tay Director, Program & Seminar ISACA Singapore <u>Panellists:</u> Perry Young CISO Kyndryl Tan Too Ping CISO Changi Airport Jon Lau Director A*STAR - Agency for Science, Technology and Research Anil K Appayanna Chief Information Security Officer India International Insurance (III) Singapore Scott Flower Co-Founder CI-ISAC International	
15:35	Cyber Resilience by Design: Evolving from Cyber Security to Cyber Resilience <u>Speaker:</u> David Lee Head of Security, Resilience & Protection - Asia Pacific Aberdeen	
16:00	<i>Afternoon Coffee and Connect</i>	
16:30	Close of CISO Singapore 2025
